MEMORANDUM

DATE: May 2, 2003

TO: EQB Members

FROM: Robert A. Schroeder, Chair
Environmental Quality Board

SUBJECT: EQB Meeting Cancellation

I have reviewed the items that were anticipated for inclusion on the May EQB meeting agenda and have concluded that it is appropriate to cancel the May Board Meeting. However, in order to maintain continuity, I have directed the executive director and staff to prepare for your review a briefing memorandum covering those information items that were to make up the May agenda.

I also want to take this opportunity to introduce myself as the new chair of the Minnesota Environmental Quality Board. I am looking forward to meeting with all Board members and believe we can, working together, define an exciting and productive agenda for the EQB. I am very interested in hearing your thoughts on what that agenda should be and how we can best carry out and achieve the goals that it includes.
