Other

National Park Service (1 copy)

Stewardship Team Manager
111 East Kellogg Blvd., Suite 105
St. Paul, MN 55101-1288

(If project is located within, or could have a direct impact upon, the Mississippi River Critical Area/Mississippi National River and Recreation Area. This is the 72-mile stretch of river from the mouth of the Crow River at Dayton/Ramsey to the Goodhue County border.)

Also distribute copies to:

- Project proposer
- Local unit of government corresponding to project jurisdiction, such as the county planning and zoning office, township, watershed district, soil and water conservation districts, water management organizations
- Regional Development Commission, where applicable (see attached lists and map)
- Regional Development Library for the region in which the project site falls (see attached lists and maps)
- Representatives of petitioners if the review was initiated by a citizens petition
- Any other person who has submitted a written request for notification

Press Release

A press release must be provided to at least one newspaper of general circulation in the project area within **five working days** of EAW distribution. The release must include the name, location and a brief description of the project; location(s) where the EAW can be reviewed; the comment period deadline (call the EQB if unknown); and to whom comments should be submitted.
