

EQB meeting for December 20th is canceled

The December Meeting of the Environmental Quality Board is canceled. There are a number of members who have schedule conflicts and this combined with changing schedules associated with the season are the basis for my decision to cancel the December meeting. I realize that the Board has not met since September a situation that is unusual and is not one that is likely to occur in the future. It is my sincere wish that each of you has an enjoyable holiday season and I look forward to seeing you all at the January 17th meeting of the EQB.

Gene Hugoson, Chair
