EQB Announcements

New Environmental Assessment Worksheet Guidance Video

Based on survey feedback and in an effort to modernize the Minnesota Environmental Review Program, the EQB recently produced a short video that provides an overview of the Environmental Assessment Worksheet process. Future guidance videos will provide information on the Minnesota environmental review process and the petition process. [Check it out here!](#)

Now Available - Updated Environmental Review Distribution List

The distribution list for environmental review documents has been updated and is now available on the [EQB website](#). The updated list provides comprehensive steps on how to properly distribute documents for Environmental Assessment Worksheets, Environmental Impact Statements, and Alternative Urban Areawide Reviews.

New EQB Logo Coming Soon!

Since last fall, the State of Minnesota has been rolling out a new logo to represent all of Minnesota state government. And that includes a new logo for the Minnesota Environmental Quality Board. A fresh and cohesive look for all state boards, commissions, and agencies is designed to help increase recognition and build trust among all stakeholders.

Please watch for updates to our website, materials, guidance documents, and email signatures at the beginning of August. You can see an example of our new logo below.
