

Minnesota Environmental Review Program

Environmental Review Distribution Lists

Updated April 18, 2023

Introduction

This document provides instructions for properly noticing and distributing environmental review documents and decisions in accordance with Minnesota Rules, chapter 4410. The information provided is specific to the processes for Environmental Assessment Worksheets, Environmental Impact Statements, and Alternative Urban Areawide Reviews. For guidance on properly completing the environmental review processes identified above, please visit the [EQB Website](#).

Please note that this distribution list is not intended to substitute for Minnesota Rules, chapter 4410. It is designed to help RGUs and others implement the environmental review process more effectively and efficiently. This document does not alter the rules or change their meaning; if any inconsistencies arise between this document and the rules, the rules take precedent. Please contact EQB Staff with any questions at Env.Review@state.mn.us or 651-757-2873.
