

# EQB Monitor

Weekly announcements and environmental review notices

Volume 47, Number 15

April 11, 2023

## Announcements

### Environmental Quality Board meeting

**Wednesday, April 19, 1 – 4 p.m.**

Join us virtually for the April, 2023 Environmental Quality Board meeting. At this meeting, the board will hear a Pollinator Action Framework update. The board will also hear a process update and participate in a discussion regarding the environmental review continuous improvement effort. More information about the meeting, including the meeting packet and Webex link, can be found on the board meeting [webpage](#).

## REQUIRED PUBLIC NOTICES

### Environmental review project notices

EQB publishes environmental review notices provided by responsible governmental units. For more information on a project undergoing environmental review, click on the individual project links below. You can also find information about active projects in your community on the [Environmental Review Projects Interactive Map](#).

#### Farmington Compressor Station Improvements Project

**Location:** Farmington, Dakota County

**Process:** Environmental assessment worksheet (EAW)

**Step:** EAW available

**End of comment period:** May 11, 2023

**Project description:** The Farmington Compressor Station Improvements project proposes several phased maintenance and equipment improvements at the existing facility located at 4685 212th Street West in Farmington, Dakota County, Minnesota. Project construction would include building removals, equipment maintenance and replacement, and other improvements. The proposed improvements would be constructed in phases over the next ten years, beginning in 2023.
