Environmental Assessment Worksheet

The following EAW has a comment deadline of October 12, 2016

Project Title: Elk River Sand and Gravel Mines: Tiller Corporation and Max Steinger, Inc. Properties

Project Description: Tiller Corporation and Max Steinger, Inc. (Proposers) control adjacent properties located in Elk River, MN (Site or Project Area). The entire Project Area encompasses 142 acres. The Proposers are seeking to amend the zoning to include mineral extraction overlay and to permit the properties under two separate conditional use permits to allow for coordinated sand and gravel mining operations (Project). Site operations will include stripping, extraction, processing, recycling of concrete and asphalt and comprehensive site reclamation.

Responsible Governmental Unit (RGU): City of Elk River
