Dear Commenter,

You are receiving this letter (attached) because you commented on the Environmental Quality Board's (EQB's) Mandatory Category Rulemaking (Revisor's ID Number RD-04157). Thank you for participating in the rulemaking process. The comment period closed on February 4, 2019 and we received 190 comments on the proposed rules.

The purpose of this letter is to provide you with information about next steps in the rulemaking process to enable your ongoing participation in the rulemaking. Please be advised, this letter is not a response to your comments. You will receive a response to your comment from EQB staff as required by the rulemaking process.

The hearing date has been moved from March 8/12th to **May 31st, 2019 at 1:30pm**, to provide the EQB an opportunity to review the comments received and consider revisions. Due to the turnover of Board members coinciding with the administration transition, EQB staff needs

additional time to present the rule, the body of comments and responses, and any recommended revisions to the EQB prior to the hearing.

Based on comments received during the public comment period, EQB staff will present and recommend revisions to the proposed rule language for the Board to consider at the May 15, 2019 Board meeting. Please be advised, the scope of the rulemaking will not expand, but proposed rule changes may be removed or revised based on feedback received during the comment period. All EQB meetings are open to the public. Agenda and proposed revisions to the rule will be posted 10 days prior to the EQB meeting.

Next Steps:

- 1) **May 15, 2019 EQB Meeting:** EQB staff will present an overview of comments, and recommended changes to the proposed rules. The EQB will consider recommendations and direct staff accordingly. The Board meeting packet will be available by May 3, 2019 on the EQB website: <https://www.eqb.state.mn.us/>

- 2) **May 31, 2019 1:30pm:** Public rulemaking hearing at MPCA, St Paul, Room 100. The hearing (via a two-way-video-conference connection—anyone wishing to give testimony to the Judge can do so via the two-way-video-conference connection) will also be available at:
 - a. Brainerd MPCA Office, [7678 College Road, Suite 105, Baxter, MN 56425](#)
 - b. Detroit Lakes MPCA Office, [714 Lake Ave., Suite 220, Detroit Lakes, MN 56501](#)
 - c. Duluth MPCA Office, [525 Lake Ave. S., Suite 400, Duluth, MN 55802](#)
 - d. Marshall MPCA Office, [504 Fairgrounds Rd., Suite 200, Marshall, MN 56258](#)
 - e. Rochester MPCA Office, [18 Wood Lake Drive SE, Rochester, MN 55904](#)

Additional rule timeline updates are available at the EQB rulemaking webpage: <https://www.eqb.state.mn.us/content/eqb-mandatory-categories-rulemaking>

Thank you for your time and interest in the EQB rulemaking. If you have any other questions, please reach out to Erik Cedarleaf Dahl (erik.dahl@state.mn.us or 651-757-2364).

Timeline:

The EQB took the following steps to develop the draft rules, notify interested parties about the draft rules and to solicit their input on rule language:

- The EQB has provided the required notifications to the public and the entities identified in statute. Three Request for Comments were published in the *State Register*:
 - [July 22, 2013 - The Request for Comments](#) closed on August 23, 2013 at 4:30pm.
 - [November 9, 2015 - The Request for Comments](#) closed on December 31, 2015 at 4:30pm.
 - [October 24, 2016 - The Request for Comments](#) closed on November 28, 2016 at 4:30pm.
- EQB staff presented an updated preliminary draft of the proposed rules to the EQB Board on November 18, 2015. This was another opportunity to provide an informal comment on the EQB rules and process.

Background:

The Environmental Review Program was established in the early 1970's under the direction of the EQB. Periodic updates to the mandatory categories have been made since that time, the latest major revisions occurring in 2009. In 2013, the EQB along with other state agencies completed the [Mandatory Environmental Review Categories Report](#) (Report), directed by the 2012 Minnesota legislature (*Laws of Minnesota for 2012, Chapter 150, Article 2, Section 3*). The report provided an analysis of whether the mandatory categories should be modified, eliminated, or unchanged based on their relationship to existing permits or other federal, state, or local laws or ordinances.

Pursuant to a legislative charge to support environmental review efficiency (*2015 Special Session Law, Chapter 4, Article 3, Section 2*), the EQB will pursue policy and technical updates to MN Rules Ch. 4410. Specifically, this rulemaking, **proposed under Revisor's ID Number R-04157**, will focus on select mandatory EAW and EIS categories that were identified in the 2013 report to the legislature and categories identified by the public during rulemaking comment periods.

For more information on the Environmental Review Program visit <https://www.eqb.state.mn.us/content/environmental-review-program>.

The proposed mandatory categories rulemaking will also encompass the amendments to rules relating to silica sand projects. This includes the mandatory categories related to mining facilities, transfer facilities, processing facilities and storage facilities related to silica sand projects. The purpose of these amendments is to adopt the threshold levels for silica sand projects established by the Minnesota Legislature through [Laws of Minnesota 2013, Chapter 114, Article 4, Section 91](#). **In 2014, the EQB began rulemaking for silica sand projects under Revisor's ID Number RD-4305.**

Additionally, the proposed mandatory categories rulemaking will also include the proposed amendments to rules relating to recreational trails. This includes thresholds for different types of recreational trails that require preparation of an EAW. In the 2015 Minnesota legislative session, [Laws of Minnesota 2015, Chapter 4, Article 5, Section 33](#), the Minnesota Legislature passed legislation changing the EAW thresholds applicable to motorized trails. **In 2015, the EQB began rulemaking for recreational trails projects under Revisor's ID Number RD-4381.**
